

"ADC MAPS ON CD" DATA

ADC's detailed, easy-to-use street maps now available on CD, allow GIS users to use online "point and click" and direct "zoom" access to map points, saving substantial time and effort. Specially designed for engineers, urban planners, dispatchers, statisticians, surveyors, realtors, assessors, sales staffs, and others who need easy online access to maps on desktops or laptops in the field or office.

ADC Maps on CD are used by state agencies, county governments, municipalities, educational institutions, libraries, and GIS professionals. These enhanced ADC maps come with powerful new GIS features to help deliver faster and better mapping solutions, increasing the range of mapping services offered to clients, and decreasing travel time to destinations.
